

PRODUCTIVITY PLACES PROGRAM (PPP) SA PRIORITY QUALIFICATIONS

Feedback from the health and community services industry in South Australia has led to the identification of priority qualifications from the Health Training Package, Community Services Training Package and Correctional Services Training Package for use in South Australia through the Productivity Places Program. Qualifications identified as national priorities are also available. This list has been provided by the Skills Board to the Department of Further Education, Employment, Science and Technology as the administering authority in SA for the PPP Existing Worker program.
